

Embedding & sharing this video

Look at the icon top right of the video that looks like a paper aeroplane. If you click it, you'll get the option to share the video on various social media sites, and also the option to embed.

If you'd like to embed it to your own website or social media platform just:

1. Click the 'share' icon in the top right of video
2. Click the 'Embed' icon
3. Copy the code it gives, and paste wherever you want it to go.
